

United Way of Williamson County

Fall Day of Caring-Part II

Friday, October 29, 2010, 9 a.m. to noon

(Due to the flooding from Hurricane Hermine, Berry Springs Park was badly damaged. Our plan to create the Born Learning Trail on our September 10th Day of Caring is being rescheduled. It's Day of Caring Part II!)

Volunteers are needed

to help make a difference for the families in our community.

Help create a *Born Learning Trail* right here in Williamson County at Berry Springs Park in Georgetown!

The ***Born Learning Trail***, the first of its kind in Williamson County is a fun, interactive series of outdoor games that help adults and young children explore and learn together. **Location: Berry Springs Park in Georgetown.** In addition to the Trail, there will be several garden beautification and park restoration projects for volunteers.

Sign up today by contacting The Volunteer Center at volrock@volrock.org or calling 512-733-7625.
