## Free Tax Preparation Services Available Throughout Williamson County

***Free, accurate and confidential tax preparation help is available from IRS-Certified preparers to those who qualify. No gimmicks. No hidden costs. No appointment necessary.***

The Williamson County Financial Stability Coalition, a community-wide effort led by United Way of Williamson County, has announced the days and times where free tax preparation services will be available to households earning less than \$53,000 in 2014 and the elderly across Williamson County. IRS certified volunteers will be available at the sites to help individuals and families file their 2014 federal income tax returns.

Taxpayers are eligible to have their tax returns filed at no charge and specially-trained volunteers will assist in identifying tax credits available in order to maximize each person's federal tax refund. The free tax sites will serve those whose income was less than \$53,000 in 2014.

No appointments are needed. All returns are filed electronically and taxpayers generally receive their refunds within seven to 10 days.

Taxpayers will need to bring the following items: • Valid driver's license or photo ID • All W-2's and 1099 Forms (if any) • Social Security Cards for tax payers and all dependents • Birthdates for all dependents • Day Care Receipts and Provider ID # • Education Receipts (if any) • Your Spouse, if filing a joint return • Interest and dividend statements from your bank/savings • Mortgage property taxes or interest (if any) • Bank Account # and Routing # for direct deposit (a voided check is best) • Health Coverage Information
